Refuge International Fellowship
*You are prayerfully welcome to
Refuge International
Fellowship.*

RIF is an international and evangelistic non-profitable mission. Reaching US today and the world tomorrow is only its core-value.

"GOD IS OUR REFUGE"

PSALM 46:1

MINISTRY VISION

Reaching the unreached nations with compassion of Christ in every generation is only the supreme supervision of RIF. So, Refuge is being dedicated to fulfill Great Commission of the lord, Jesus through spiritual multiplication method. (Matt. 28:19-20)

MISSION STATEMENT

Indeed, RIF has been actively taking care of Christ mission through spirit felt Church planting discipleship ministries.

"For the son of men came to seek and to save what was lost." (Luke 19:10)

MINISTRY GOAL

The Following coined ripped fruits must be harvested by the end of the lord year:

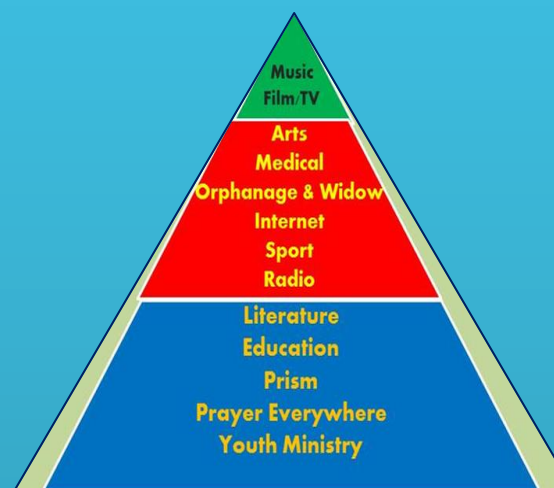

Sl. #	Programs	#
1	Evangelism	10,000
2	Win	5,00
3	Build	3,00
4	Train	100
5	Send	100

RIF-Reports

The Church planting ministry vision was conceived in last couple of decades but it has been in effect since 26th December 2010 in the small city of Buffalo, NY. However, there are already eight Churches established in Bhutan, USA, Nepal and India, too. Besides this "Prayer Everywhere", "Youth for mission", "Orphanage", and "Bible School" have been started under Church planting movement.

MINISTRIES STRATEGIES

Vivid vision, meaningful mission along with God given goal could not come to true unless there are several strategies. John 4
